

**STATE OF TEXAS
OFFICE OF THE GOVERNOR**

A professional designation of the Association of Government Accountants, the title of “certified government financial manager” is awarded to individuals who demonstrate the skills, knowledge and commitment to ethical behavior required of the chief stewards of our tax dollars.

Whether serving at the federal, state or local level, these hardworking men and women earn our trust by demonstrating dependability, initiative and wise stewardship of public resources. From accountants to auditors, these professionals help ensure efficiency at all levels of government.

Every year, the month of March is designated for an awareness campaign to highlight the importance of certified government financial managers in government operations.

At this time, I encourage all Texans to recognize the efforts of these outstanding professionals. Their excellent work highlights the best of the Lone Star State.

Therefore, I, Greg Abbott, Governor of Texas, do hereby proclaim
March 2018 to be

Certified Government Financial Managers Month

in Texas, and urge the appropriate recognition whereof.

In official recognition whereof,
I hereby affix my signature this the
9th day of February, 2018.

Governor of Texas
